## **HEALTH AND SAFETY POLICY**

# HEALTH AND SAFETY POLICY

## INTRODUCTION

In accordance with section 2(3) of the Health and Safety at Work Act 1974 the Board of Trustees of Stephenson Studio School given below its written policy with respect to health and safety and the organisation and arrangements for the time being in force for carrying out its duties.

## GENERAL POLICY STATEMENT

The Board of Trustees of Stephenson Studio School recognise their duty so far as it is reasonably practicable to ensure the health, safety and welfare at work of all of its employees, sub-contractors, learners and visitors.

In discharging their duties the Governing Body will:

- Provide and maintain safe and healthy working conditions including plant, systems of work and working environment.
- Provide all necessary information, instructions, training and supervision to ensure a safe and healthy working environment.
- Ensure that priority is given to all matters regarding health and safety by:
  - Appointing relevant persons with responsibilities for health and safety
  - Regularly reviewing and monitoring health and safety matters
  - Promoting and co-ordinating health and safety training and procedures
  - Making arrangements for:
    - ❖ The provision of expert advice when necessary to determine and control risks and
    - ❖ Consultation with employees prior to the implementation of health and safety procedures

In addition all employees, sub-contractors and learners will be made aware of their responsibilities to:

- ❖ Work and behave safely with due regard for the health, safety and welfare of others whilst attending Stephenson Studio School
- ❖ Report accidents, incidents and unsafe conditions which lead to injury
- ❖ Observe all rules and regulations made with respect to health and safety
- ❖ Comply with all statutory obligations and requirements of Codes of Practice with respect to health and safety

## ORGANISATION AND MANAGEMENT OF HEALTH AND SAFETY MATTERS

In order to ensure the implementation of the General Policy statement the Board of Trustees have made the following arrangements:

- One Governor has the responsibility for Health & Safety Policies and Procedures
- The Head Teacher will be responsible as far as is reasonably practicable for the effective overall implementation of the Health and Safety Policy across the School.
- The School Safety Officer will be responsible as far as it is reasonably practicable for advising staff on all matters regarding health and safety including legislation, risk analysis and safe systems of work.
- Estates Manager/Site Engineer will be responsible as far as is reasonably practicable for ensuring that working practices and systems within their area of responsibility do not give rise to risk to the health and safety of employees, learners and visitors.
- All employees must take reasonable care for the health and safety of themselves and all other persons who might be affected by their acts of omissions at work.
- All learners, visitors and sub-contractors must take reasonable care for the health and safety of themselves and all other persons who might be affected by their acts of omissions at work.

## FUNCTIONS AND DUTIES

The Head Teacher will:

- Establish and maintain appropriate safe systems within the School
- Make recommendations to the Board of Trustees with respect to health and safety policies, systems and rules
- Budget for all health and safety matters within the School
- Ensure that health and safety policies, rules and procedures are implemented across the School
- Ensure risk assessment surveys are undertaken and reviewed as necessary to maintain a complete and thorough assessment of all risks to health and safety and that safe systems of work for all employees and learners are in place across the School
- Ensure there are adequate financial resources to satisfy the requirements of Health and safety

The Health and Safety Officer shall:

- Maintain an awareness of all health and safety legislation that could affect the operation of health and safety within the School
- Advise the Board of Trustees, Head Teacher and Director on all aspects of health and safety within the School
- Advise the Health and Safety Committee on all aspects of health and safety within the School
- Establish and maintain appropriate reference material with respect to health and safety
- Ensure that appropriate risk assessments are carried out and reviewed annually
- Assist in the induction of new staff and the training of present staff with respect to health and safety
- Review and monitor all aspects of health and safety including training within the School
- Assist in the production of health and safety information for staff and learners

- Review and produce forms necessary for the management and control of health and safety within the School
- Maintain records of all reported hazardous incidents and advise the Head Teacher and Director of Studio School when the incident requires further investigation and/or action
- Ensure all accidents which are required to be reported under RIDDOR are dealt with appropriately

All staff will:

- Ensure the health and safety of themselves and others who are affected by their actions
- Ensure that they are familiar with all School health and safety procedures relevant to their designated role in the School
- Assist their Section Head/Line Manger in ensuring that health and safety policies, rules and procedures relevant to their work are issued, understood and implemented
- Carry out risk assessment and the production and implementation of safe system of work for staff and learners within their recognised area of work, as requested by Section Head/Line Manger
- Co-operate with their Section Head/Line Manger to ensure that a system for planned, preventative maintenance is established for plant and machinery within their recognised area of work and that maintenance is carried out in accordance with that plan
- Co-operate with their Section Head/Line Manager and the Safety Officer in the investigation of serious incidents and in implementation of agreed action
- Check and confirm that learners are ready and are able to safely operate all equipment within their remit

All learners shall:

- Ensure the health and safety of themselves and others who are affected by their actions
- Receive Health and Safety training as part of their induction to School and to their programme study
- Receive Health and Safety training on specific curriculum areas and on techniques prior to any workshop activity or before using any equipment
- Wear or use Personal protective Equipment when appropriate
- Observe and adhere to the safe working practices relevant to their working environment
- Inform staff of their needs in relation to using equipment
- Ensure that they have had comprehensive training in the safe use of equipment and that their training is current and up to date before using any equipment
- Inform staff if they have any doubts about using equipment safely or effectively
- Report any incidents or near-incidents to a member of staff
- Report any issued concerning the Health & Safety of themselves and others to a member of staff

Reception staff shall:

- Draw the attention of all visitors to the Health & Safety notices and inform them of safe evacuation procedures
