

RE: Parent Event – Supporting Student Success – 23/01/2018 – 17.30 to 18.30

Dear Parent/Carer,

The trustees and I are pleased to invite you to a parent event following our most recent Ofsted monitoring inspection.

The aim of the event is to celebrate the school's successes to date and outline our shared priorities for the term ahead. This will enable us to work together to ensure the best possible outcomes for all students. Your son's/daughter's best chance of success will come through all parties being clear as to how we can each help and support them.

During the event the chair and I will provide an update through a brief presentation followed by a carousel of practical support activities which will include; free revision aids, strategies and tools to support your son/daughter and an opportunity to purchase additional resources.

There will of course be light refreshments available. We look forward to seeing you at the event.

With kind regards

Keith Hobbs
Headteacher
