Dear Parent/Guardian

In March all Year 11 students will be sitting mock GCSEs. These exams will be very important. As students start to make applications for post-sixteen courses, the results from these exams will form the basis of predicted grades.

We would ask that you ensure that your child revises for their exams. They should ensure that they are attending after school support classes, and that they draw up a revision timetable.

All students will take a mock exam in both English Language papers and both English Literature. They will also sit two of their maths exam papers and all three Science papers. They will sit one Citizenship paper.

The exams will be sat in an exam setting; to give students a flavour of what the real GCSEs will be like.

If you require further information about the mock exams, please do not hesitate to contact me or your child's subject teachers.

Yours sincerely

Mr S. Collishaw

Deputy Headteacher
