

Stephenson Studio School
COVID-Safe school

Wash Hands: all students MUST

- bring their personal pocket size hand sanitiser into school
- sanitise their hands after touching any contact point (i.e. door handle/stair rail)
- sanitise their hands before removing or putting on their mask
- wipe down any shared resources using a sanitisation wipe before and after use
- wash their hands before and after eating or going to the toilet

Cover Face: all students MUST

- bring a clean face covering and sandwich bag from home (if students forget then they will either be issued one or sent home to collect it)
- wear a mask unless given permission to remove their mask (in a lesson) or when physically eating whilst seated at an allocated dining table
- sanitise hands before removing face covering and place face covering in their clean sandwich/food bag
- only students recommended by LF/AG are exempt from wearing face coverings this week
- only students with SLT approved exemptions are exempt from wearing face coverings from 30/11/2020

Make Space: all students MUST

- remain 2m apart (the only exception to this is during lessons where they may be seated <2m away from one other student - as per COVID approved seating plan)
- maintain distancing when moving around
- not move chairs/furniture

Stay Safe,

Mr Hobbs
Headteacher
